

Skyline PTSA Mission and Goals 2026-27

Mission

Skyline HS PTSA strives to enrich the learning and social environment for all students, strengthen the Skyline community of families, students and staff and empower families to be strong advocates for their children. We achieve this through equity focused advocacy, programs, volunteers, financial support, and close collaboration with Skyline High School and other Skyline organizations.

Goals

- Be an effective liaison between family, students, staff members, and school.
- Promote a positive, equitable learning and social environment for every student
- Provide programs that strengthen community, health, and well-being.
- Organize volunteers to support school initiatives and events.
- Expand participation by engaging more families and students.
- Develop future PTSA and student leaders
- Empower families with tools and knowledge to advocate for their children.
