## **Congratulations to all our Skyline High School Reflections Participants!**

On behalf of the Skyline High School community and the PTSA Reflections Program, we are thrilled to congratulate each of you on your remarkable achievement in this year's Reflections contest. Your creativity, talent, and dedication have truly shone through in your art pieces.

We are proud to announce that 13 outstanding entries from Skyline High School are moving as district finalists. This advancement is a testament to your interpretation, creativity and technique in bringing it to life "Accepting Imperfection" theme through your chosen mediums.

Your work not only represents Skyline High School but also serves as an inspiration for the power of creativity and self-expression. As you move forward to the district level, know that we are cheering you on.

Thank you for making an impact to the community with your art work. We look forward to seeing you at next year's Reflection program.

The National Reflections PTSA has announced the theme for 2025-2026.

The theme is...

**"I Belong!"**
